SCHEDULE OF MINOR TESTS, SEMESTER 2, 2017-2018

Date: 24/03/2018

1. Use "Find" (Ctrl+F) in your pdf reader to locate your course.
2. Students are advised to check the exam schedule one day before the exam for any change in schedule.
3. The test schedule for Colloquium, X slot, Laboratory and Self-Study Courses will be announced by the concerned Course Coordinator as required.
4. Wherever more than one courses are allotted a single room, the odd rows (1,3,5 etc.) of seats would be used by the first course and even rows (2,4,6 etc.) by the second course, so as to prevent students of the same course from sitting one behind another. In each row, alternate seats would be used by students of the same course, with alternate seats left vacant. Faculty invigilating the examination may do additional adjustments as deemed fit.
